

Colleague Health Plan Navigators

Do You Need a New Doctor or Specialist?

Our colleague health plan navigators are trusted advisors working on your behalf to help you find an answer!

Call a navigator for help with:

- Finding a Trinity Health or independent network provider under your plan
- Accessing a specialist, primary care office or retail pharmacy
- *Wayfinding*—Have a student on your plan away at college? They can find a doctor for them
- *Education*—Need more information on a recent diagnosis? They can connect you to resources
- *Billing*—Have questions about a medical bill? They can help you find an answer
- Answering any additional questions or issues related to services for colleagues, spouses or dependents

Get in touch with your colleague health plan navigator to find out how they can help!
